

SIMATIC DP, connection module for PROFIBUS interface module ET 200 Pro; M12/7/8", 2x M12 and 2x 7/8", integrated address setter and terminating resistor for PROFIBUS DP; product phase-out planned – see SIOS 109989704

| Input current                              |                                                                          |
|--------------------------------------------|--------------------------------------------------------------------------|
| from supply voltage 1L+, max.              | 8 A                                                                      |
| from load voltage 2L+ (without load), max. | 8 A                                                                      |
| Accessories                                |                                                                          |
| Function description                       | Terminal module M12 7/8": PROFIBUS DP and 24 V power; 2x M12 and 2x 7/8" |
| belongs to product                         | ET 200pro; IM154-1/2 DP                                                  |
| Dimensions                                 |                                                                          |
| Width                                      | 60 mm                                                                    |
| Height                                     | 130 mm                                                                   |
| Depth                                      | 60 mm                                                                    |
| Weights                                    |                                                                          |
| Weight, approx.                            | 440 g                                                                    |
| Classifications                            |                                                                          |
